I promise to bring some of my favorite vintages of TOR to share aboard and compare, and will invite a few of my favorite Bordeaux producers to join the party.

## ABOUT TOR AND SUSAN KENWARD

Sometimes stories take root and grow unexpected branches; Tor will share some of those stories aboard. You cannot be a good storyteller unless you have had life experiences that people can relate to. Tor Kenward is a Southern California bohemian who became a Vietnam vet, jazz club impresario, and dining companion of the beloved Julia Child. 2016 marked Tor's 40th year as a Napa Valley vintner. The first 27 years were with Beringer Vineyards helping build a wine company known to collectors for its reserve and single-vineyard Cabernet Sauvignons and Chardonnays. Tor retired in 2001, and with his wife, Susan, started their dream: TOR Wines. "Our plan was simple. Our wines would come from only the best blocks in great vineyard sites I knew and revered. All our wines are hand-made in every sense and in very small quantities." Tor has led the charge as one of the appellation's great champions and ambassadors for quality and worldwide acclaim. TOR Wines led the electronic auction lot in this year's 2017 Auction Napa Valley at \$20,000. Overall ANV raised \$15.7 Million for charity.

Susan Kenward's path has taken her from the worlds of culinary to fashion to beauty in a series of creative endeavors. She and a partner opened a Hampton's specialty store called Loaves and Fishes, which won many kudos. Susan has written five cookbooks, receiving two James Beard Awards. In 1985, Susan's reputation as a food and lifestyle writer had earned her an assignment to interview a woman winemaker in Napa Valley who then introduced her to the man she would marry, Tor. In 1991 she started Flora Napa Valley and Olivina, a fragrance and body care line based on the scents and ingredients of the Napa Valley.

"Our wines keep getting better, we expect our stories will too. Join us as we write the next chapters."
